19. Assessment/recommendation by the inspecting officer:

I have visited the coaching centre inspected at morning all the necessary records pertaining to the centre. This coaching centre is running in its Leased building with well sufficient accommodation. This centre has been running from many years with highly qualified and experienced faculty member & with all necessary basic infrastructures. The success rate for the last year is about 89.00%.

- Most of the students from this institution are securing Medical & Engineering seats.
- Individual attention and special care is being given to the students.
- Rural Minority students are getting benefited by this institution.
- Classrooms are well furnished provided with projector, internet, white boards etc.
- There are separate hostels and coaching campuses for boys & girls with hygienic food facility.
- Study material is provided to all students. Regular Unit Tests, Quarterly, Half Yearly and Mock test are conducted.

I found all the running of programme satisfactory.
